ABOUT LADGOMA

WHO WE ARE

The Last Days Gospel Ministers' Association (LADGOMA)

is a non-denominational fellowship of like-minded, Bible-believing and heaven-minded ministers united by a common passion to advance the Kingdom of God through prayer, leadership development, mutual support, missions and strategic kingdom partnerships.

LADGOMA was born out of a remarkable move of God following a successful ministerial programme organized by Truth and Life Ministries. During the programme, ministers from different ministries worked together in love and experienced an uncommon atmosphere of unity, fellowship and spiritual refreshing. Rather than allowing that fellowship to end, they resolved to remain united for greater Kingdom impact.

This vision led to the formal establishment of The Last Days Gospel Ministers' Association (LADGOMA) in 1992, and the association was subsequently registered with the Corporate Affairs Commission (CAC) of Nigeria.

Today, LADGOMA continues to bring together ministers across denominational backgrounds, fostering genuine relationships, strengthening ministries, and mobilizing God's servants to fulfil the Great Commission both within Nigeria and beyond.

“

*United in Christ,
Strengthened in Fellowship,
Advancing the Kingdom Together.*
